Sir

I trust that your Royal Highness will not be displeas'd if in the absence of my Bro: ther, I venture to say to you, that in case you have no objection to include Lady Horatia Conway in the future arrangement, to which I hope I may without indelicacy allude, we shall consider it as a great additional mark of your favour on which we ever set the highest value — I beg to add the assurances of respectful attachment, with which I

have the honor to remain, Sir  
Your Royal Highness's most faithful  
humble servant
