My dear Baron,

I have the pleasure to return You  
the Statement You was so good as to submit to me,  
& as far as I can be a Judge (without going into a  
deeper investigation of the business, & consulting  
other authorities which is at present too difficult  
a point to attain) I certainly do think that as  
the business now stands in the manner <sup>it is</sup> You have  
put it upon Paper, You are entitled to Your claims  
at least to the greatest part of them; & I shall always  
be happy whenever it is in my power to see justice  
done You, (or any other Gentleman under a similar  
predicament. I wish You a <sup>most happy</sup> successful & pleasant  
Journey, I am my dear Baron, <sup>your very good friend</sup>  
~~Yours~~ &c. &c. &c.
