

40086

I never wish or expect
answers to notes about
the Present — all I
wish is to mark my
unalterable attachment
to the Princess's virtues &
Talents, and my real
good will to his friend
Col Napier —

To
Col. MacArthur.

My dear

Very few copies of the
announcements have been
seen. The subject is already
well understood at Oregon
Dustin & Bennett &
has done great good.
