

A. C. Bradshaw to Col. Macdonald
July 25. 1844.

Saturday 25th -

My dear Mr. Macdonald,

I am not for half measures, therefore
do not hesitate in getting me a
seat in Parliament - It may be of use
if I have a power to vacate it
will be of no inconvenience to
me - But do not even let that
clause prevent your getting me in
if necessary -

Peter La Touche & young David La Touche
& Mr. D'Almeida's late private secretary
will be off in two or three days
at furthest & I think Col. Leslie will
go on Monday - I hope by Thursday
I shall have sent you thirteen
countrys

County members & two City -
The moment receiving your
summons I shall attend but
the same day -

Yours ever faithfully
Rasindus Bradshaw
