My Dearest Mr McMahon -

I find it very difficult to stir the  
Irish members, all that I have scarcely  
communicated with are steady friends  
but they say it can not come on  
so soon, that their own accounts  
differ from mine - but they are  
all determined to go in a few days  
& will keep working at them -

M<sup>r</sup> Hore & M<sup>r</sup> Landfield (who said  
bright) beg to be added to the list  
I sent you before -

2<sup>d</sup> The other is gone - the Le Touche's tomorrow  
or next day - if I was in Parliament  
I should not be so late as now  
and

and I hope by procuring me  
a sent you will give me an  
opportunity of proving my words

Yours truly  
most faithfully  
A Lawrence to Bradshaw
