34 Fitzroy Square

Nov^r: 18th: 1805.

Sir

I have communicated to Lord Hawkesbury the intention of His Royal Highness the Prince of Wales to confer on the remains of the late Lord Nelson, the distinguished honor of attending them to the grave, as chief mourner. — Lord Hawkesbury undertook to make the same known to the King & did not entertain any apprehension that the gracious intention of His Royal Highness would

meet with objection on the part of his Ma:
=jesty.

Be pleased to express to the
Prince of Wales how deeply the family of
my lamented Brother is impressed with
a sense of His Royal Highness's condes:
=cension & how highly they estimate the
honor which will be conferred on Lord
Nelson's remains by such a proof of
His Royal Highness's consideration
& regard. ————— I beg you to

Ld. Nelson to Gt. McMahon

accept my best acknowledgements for
the obliging part you have taken in this
interesting affair. I have the honor

to be, Sir, your

most obedient

humble Servant

Nelson.
