

H. M. to Ld. North

Mar. 8 1781

I am certain the Queen will not object to Mr. Davenport's
being recommended to Her for the Office of Her Solicitor
General, but ^{I believe} it must be accompanied with his being
one of my Council, before I can name the Office to the
Queen it will be proper for Lord North to mention the
idea to the Chancellor for his ~~convenience~~ ^{convenience} which
will certainly be had as Mr. Davenport is a very creditable
person in his profession.
