

Lord North has the honour of  
accompanying this note with a  
letter of intelligence from Paris. The  
recall of Mr L. to Ghent seems  
to be a proof of his sincerity, which  
Lord North would certainly have sus-  
pected, if he had staid in France.

Bushy Park Oct. 23 1784.

*[Faint, illegible handwritten text on aged paper, possibly bleed-through from the reverse side. The text is arranged in several lines and is difficult to decipher due to fading and the texture of the paper.]*
