

H. H. to Lord North

Mar. 10 1782

4495

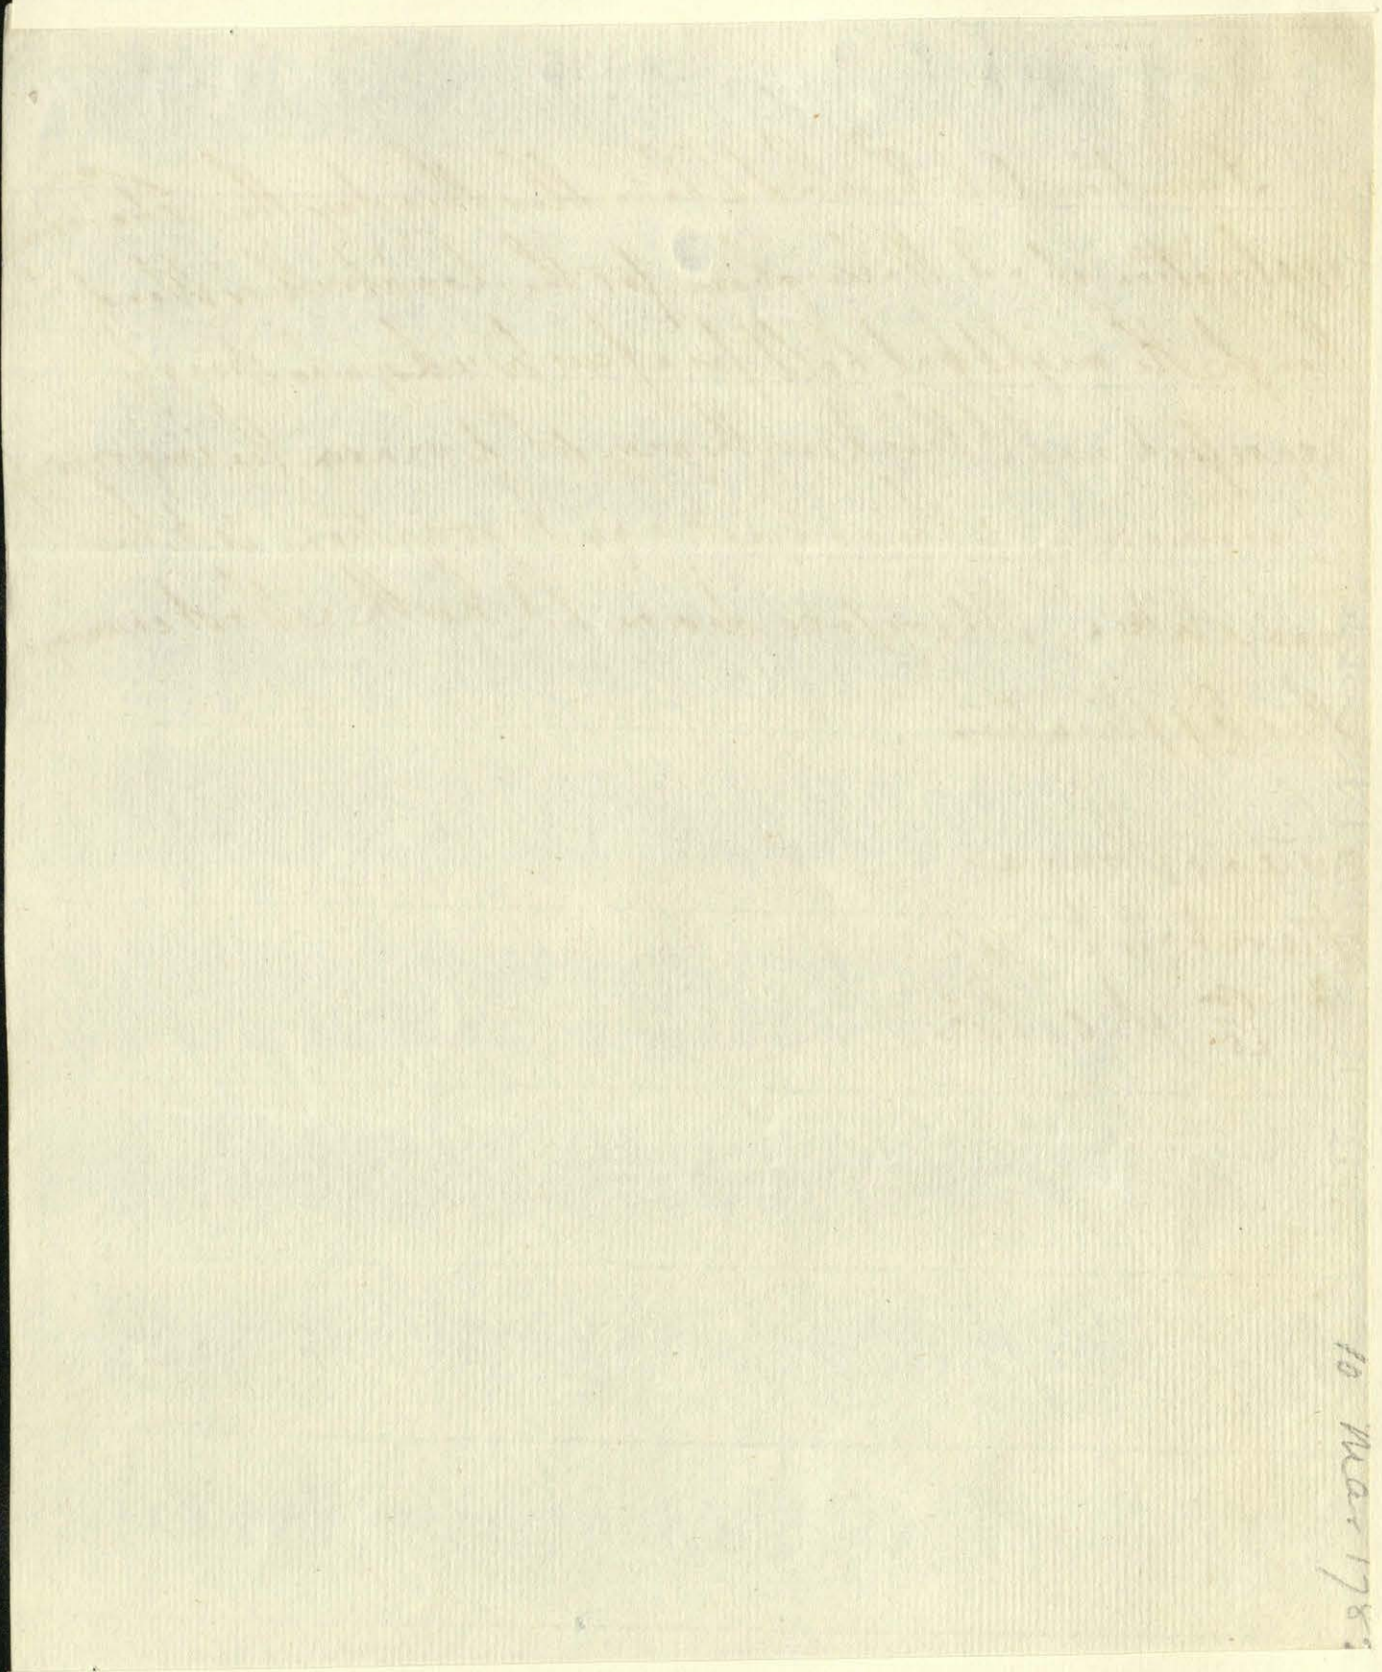

Mar. 10. 1782

I mentioned to the Lord Chancellor this day the extraordinary application of Ld. Walsingham for the Comptroller's Wand though he might but hold it for a few Weeks; who strongly expressed and I think with very solid reason the impropriety of acquiescing to this whilst any Negotiation is to be undertaken; therefore desire Ld. North will not encourage this Application.

Lucas House

March 10th 1782.
