

Draft to the Lt. Chancellor
Queens House March 13th 1782
m
32. pt. 6. P.M.

4501

Queens House March 13th 1782
m
32. pt. 6. P.M.

My Lord I am sorry any event has arisen in your family
to give you pain, and that it is attended with a feverish
disorder; I cannot have the indiscretion therefore to
desire you to come here, till you have received
information sufficient to make you wish to report
it to me; whenever you notify that to me, you
may depend on my ~~proceeding~~^{proceeding} on the earliest convenient
time.
