Sir

I am sorry to tell your
Royal Highness, that Lord
Whitworth still continues to
be confined, & the faculty
are uneasy with the state
his health is in, from the
consequences of his late attack:
But we must hope for the
best

As it is said Prince Cobourgh
has obtained the command
of the 5th Regt of Dragoons
permit me to hope if your
Royal Highness has an

opportunity that your Royal
Highness will with your usual
kindness to me, be pleased
to recommend me for the
Agency thereof in case the
Oport should at any time
come to this Establishment

I suppose your Royal
Highness occasionally sees
Lady Louisa to whom I
am this day writing!

I have the honor to
remain Sir with respect
& attend your Royal
Highness most devoted
& faithful humble Servant
Wm. Thomson
