At Lord Buckingham's Request the Chan-
cellors waited on Him on Monday Night
when they had another Conference, which
ended as the last had done without any
good Effect; L^d Buckingham insisting on
the several Conditions he had mention'd
before; & the Chancellors concluded the
Conference (as I am told) with some
Degree of Warmth & Displeasure; The
inclosed Letter from Mr Robinson will
inform your Majesty of all that has
happn'd since & of the present State of
things. I believe that the Chancellors had
communicated all that has pass'd not only
to his particular Friends but to Lord
North; I know he has been with Him.

I

I hope that your Majesty's Health is
the better for the Country this & that
you have been able to get some repose
