Ed. Shelburne I have just received your letter enclosing
the Papers Ed. Rockingham has sent to you and a copy
of your answer I have kept them to show them early
in the Morning to the old Chancellor you may speak
or why not showing them to any other Person.

I desire to see you at Eleven tomorrow
morning; you cannot be surpris'd at my not
thinking ^{Ed. Rockingham's} papers satisfactory to the ideas I conceived
through you.
