Dear North it is impossible I can within three or  
four hours of your resigning be opening a door to  
fresh Claims, I shall keep your letter as what may  
hereafter serve as a plea in the favour of those

Ed. Hillsborough always gets things off the best  
Minute and though an amiable Man the best a  
Man of business I ever knew if he can write a letter  
to Ireland concerning Ed. Rawdon and at least  
antedate a Week I shall not object otherwise  
I do not see what I can do in it when there is a  
thorough rout.
