

A. M. to Adm. Keppel

4585

Windsor April 11<sup>th</sup> 1782

<sup>m</sup>  
20. pt. 7. A.M.

I should hope Ad. Keppel not only sees the conduct of Cap. Pole in the Action with the Spanish Frigate which he took and afterwards burnt as meritorious; but also that his reasons for getting home so expeditiously are judicious.

Ad. Longford's letter is pleasing, as it shews the East India Fleet had at that time met with no accident

*[Faint, illegible handwriting]*

Admiral's Report  
Audley Square Park St. W. 1782
