Sir

I have this moment re-
ceived your Majesty's Commands to which
I will not fail to pay implicit Obedience,
& I will accordingly give every Support &
Assistance in my power to Lord Shelburne.
Of this I will take a proper method of ap-
prizing His Lordship. My Attachments
has ever been to your Majesty & ever
will be; & for this reason I did not
think it right to enter into any new
Engagement, till I had received your
Majesty's Commands on this subject.

I am with the most profound
