

ld. Keppel

July 15 1782

4863

Mr King

Lord Keppel seems so aware of the necessity of strengthening Ad. Howe's Squadron
as much as possible that I have left nothing to say but that undoubtedly Ad. Keppel is
the best judge what exertions can be made and how short of Complement the Ships
can go on so short a Service as the present; I trust they are soon to hear that the
Western Squadron is increased.
