The kindness my Dear Father you have  
always shown me, makes me trouble  
with these few lines. I have got into  
a terrible scrape, which is too long  
to relate here, but if you would  
see me I would tell you the fair  
& honest truth & trust you  
will give me your advice.  
Should you grant me this favor  
it will relieve me from great  
anxiety & misery.

My Dearest Father  
I am your most Affte  
Charlotte | & Dutiful Daughter
