My Dear Mother -

According to your desire I do

not delay in informing you that I went  
to my Mother's yesterday at 9 o'clock  
returned home at seven to dinner  
& that I did not see her in the  
house of dinner with her. She is  
at home & I have a note  
of her arrival at home & in fact  
she is in - The visit was very  
pleasant & I should be very glad  
to see her again.

I only remain for you to accept my  
thanks to you for having a letter  
sent to me, I had I had thought you  
would be so good to write to me  
& that I had been able to do  
you, instead of me.

Yours ever  
Your affectionate son  
John Lubbock
