Sir,

I have the honor to inform Your Majesty, that the Princess is just brought to bed of a Daughter, & thank God both the Mother & Child are quite well & likely to continue so. The Princess has had a very severe time indeed having been upwards of twelve Hours in constant <sup>labour</sup> I hope Your Majesty will forgive my saying any thing more at present

except to subscribe myself,

Your most dutiful  
& affectionate son & subject

Carlton Place.
