My dear Aunt,

I receiv'd your kind Letter
yesterday for which I am extremely oblig'd
to you, & amore a Cordinaire thoroughly
sensible of your kindness. It was fully
my intention to have been with you
at two o'clock this day, to have seen
the dear Child, but the unsettled state
of the weather, having nothing but rain
in Town without any stop to it, has
not only kept me, but hanging about me, has

determined me to remain at home this
morning. I have seen Dr. Jackson this
morning & he wishes not to think of
immigration, certainly not till the next
Spring at any rate, possibly even not then.
When I return to Tenn again, which
will be in about a fortnight, I will come
to Blackheath, & discuss over every thing
with you, that ~~you wish~~ or that you
can have any. Give little Charlotte
a kiss for me, & believe me, ever
my dear friend,
Yours very affectionately
W. M. G. ^{Wednesday 1/2 past 4 o'clock.} George B. B.
