My dear Countess,

Your Letter gave the greatest
satisfaction to my Heart relative to the
dear Child & your some whatting care & attention
to your little charge affords every comfort
possible to me, for which I never can suffi-
ciently express the gratitude I feel towards
you. I shall be in Town on the day of the
commencement of the New Year, till then accept
of the Compliments of the Season & not only
now, but ever the best Wishes, of

Your sincerely affectionate
Friend
George B.
