

HRH to Dow. Lady Elgin.

49230

I pray my dear Auntess bring the dear child
up to Town before An Summer morning, as
I long to see her. I came here late last night
but would not write to you in the course of
Today, as I know you do not like to be disturbed
of a Sunday. I hope Elgin continues men-
-ding in point of health as much as you can
wish. Ever my dear Auntess,

Caroline Anne. Most affectionately yours
Sunday night.
