Dear Papa,

Tho' I know how very busy you are, yet
I cannot help writing these few lines to
express all my wishes on this Day
May You live to see many happy new
Years & may each be a new source of
happiness to you, may I also prove
some time or other worthy the
kindnesses & indulgences I have
received from you, & tho' I have no oppor-
=tunities

to express my gratitude, Believe
me they are not thrown away.

If my humble wishes are of
any effect you would be at the
summit of all happiness, & have
nothing to trouble you. But
since we all are to have our
trials & none of us are exempt,
I may hope that you will
always Believe & find that

I am

Most truly
My Dear Papa
Your ever Affle
& Dutiful
Daughter
