

My dear and Brother's meeting was perfect & particular quiet composed & good day made a good dinner went to bed at 8 o'clock & was asleep by 9 —

I am happy to tell you that Charlotte has made herself most agreeable to the dinner & all of us to day I really never saw a more reasonable or more tractable little soul than she has been this day after breakfast she went to her own room by her own decision when I worked in the night with my two elder sisters Lady Charlotte, Mrs. Lee & Lady Anne Powell to make a visit to her & Mrs. Dyce which delighted Charlotte as she never had seen the place and we on our return became

we had business with the Queen
 & after business with the Queen
 till the Queen's party by the
Charlotte express by the
happy in my eyes of the
business to please very well
 and I was very pleas'd to see
so satisfied with the business
whole business as to day
 & I must say with my
great pleasur - I trust I
not with feeling entire
that a great deal of good
may still be done with
care & constant attention
and good example and
talking to her as a Queen
but as a Governor of the
but my much mistakes
we will still my good
