Cotton Hill.

My dear Mother

I had no opportunity
 when I saw you today, of mentioning
 (what without first asking you about
 I could not give my answer) as
 regard of my Mother but made in
 a letter to me today, offering me
 before she leaves Paris for the
 country. My answer is delayed
 till I receive your answer upon
 it, which I shall do immediately
 as they -

Believe me

My dear Mother
 Ever dutiful
 daughter
