My dearest Papa

As I think you
are by this time
returned from Windsor
I may accept my
best thanks for the
beautiful shawl I
received from you today
I allowed me to add
that it is just what
I could have wished
I shall be very
happy to accept

Your kind invitation
for Saturday I hope
by that time to
find you quite
clear of your cold
As it is late I will
detain you no longer
but do assure you
I am all yours
that ever
your affectionate
Mother
Elizabeth
