My dearest Brother

In the first place The Queen
will be in Town soon after one o'clock
& she will be much obliged to you
if you will send your carriage for
her at two o'clock when she will
come to Carlton House & have
her talk with you. She wishes to
see Mr. Chesler at three o'clock
at Carlton House which will give
her time to have some conversation
with you first. She then will
return to the Queen's House
to sleep & make herself comfortable
before dinner & dinner not to
begin dinner until 7 o'clock
The Queen will send to Lady
Aronson to dine at
Carlton House & Lady S. M. & I
will come with us.

I believe I have written this as clear
as possible so clear that you
may read it without glasses
Spectacles - God bless you I think
I need not say how glad
I am at the thoughts of
seeing you to morrow

Yours

Jan^{ry} the 5th the Macey
half past 8 o'clock
