

Duchess of Leeds to Queen Charlotte

49756

[Enclosure]

19 Jan 1813

Madam

It is impossible for me to  
express the high sense of gratitude  
I am inspired with, by your Majesty's  
most gracious condescending goodness,  
in allowing me the perusal of the  
inclosed Letter - I know not what  
to most delight with; your Majesty's  
kindness in transferring Miss Darnley  
to Her Royal Highness the Princess  
Charlotte, or that since presents  
I know not, endeavour to place so

perfect & Person about Her  
royal Highness. It is certainly  
a great blessing to me to have  
such an instance granted me &  
I can never cease to be

Your Majesty's

Obliged & Obedient  
Grateful Servant
