My dearest Papa -

I should not intrude upon  
your thoughts, were it not for  
the risk of receiving your blame  
when a letter I have need of  
my Mother - Mr. Pitt's  
is announced, & I see this  
divious, I should come to her,  
& as it would be the first I  
ever wish, but like it might  
hurt her considerably, however  
if you do not wish it, pray  
do not let her know, or  
give up the idea of going

I am should not write  
it, May I beg of you to  
write with a view to be  
seen in the subject  
behaving ever most truly
