Marion, Anne

My dear Father

After the very kind note
I received from you yesterday, containing
the permission I so much wished for,
I writing to my Mother, I do not
delay in writing you the letter I have
written, & which after you have
perused it, I will love no time in
sending — I cannot say how much

you have gratified my feelings by this
act of kindness, but I have not heard
I thank you & my love

My dear Mother
to be kind to me

Ever your dutiful

John King
