Sir

The Duchess of Leeds having left Warwick House to day before Princess Charlotte received your Royal Highnesses letter, I take the liberty of supplying her place so far as to say that she will undoubtedly get every thing ready for our going to Windsor as soon as possible; and I know she is occupied in settling all the accounts for that purpose; I therefore hope that your Royal Highness will excuse the unavoidable delay of a day or two in case it should so happen, and be assured that we will not exceed

the end of next week:

I have the honor to be, with the
most profound respect,

Sir,

Your Royal Highnesses

Most Dutiful and Devoted Servant

E. C. Knight.
