Dear & Beloved

I cannot allow another
day to pass without
congratulating you on the
glorious news from Germany
in which you have not
only been so interested
but have been the prin-
cipal mover. After
the satisfactory manner
in which it all went
off at the house but for
two circumstances you
will naturally believe
must have procured me
the greatest pleasure.
As I understand from
Mr Henry that you
have been kind

enough to have my
going to Town immediately
after Augusta's birthday
& that you are quite
with all the constant
devours I have been
meeting & still continue
to set love my heart
have, but in vain, will
ever allow me to say
that it is the due
proposal or will
please to have Town
the 9th. which will be
the Tuesday. I did not
like the idea of not
informing you of this
for your approbation
immediately, the
pleading myself with
the hope of being

you here on Monday.
I leave it to you
to say how constantly I intend
to ride & walk every day
when I am in Town.

Believe me
My dear Robert
Ever Afflyte
I am
child
