My dear Mother - I would not have  
 been troubled here again with writing  
 had the interest of time to send the  
 enclosed letter for me - But time we  
 have squandered by the kindness of  
 your letter, & I am with due  
 commendations, I did not feel to make  
 them known, & shall to my  
 make a first tomorrow. I believe  
 the appearance of justice & that  
 that had for the sake of Mary, I would  
 not have mentioned the subject to

for this case of compassion  
for him

My dear Mother  
Ever Very Affly  
Admiringly  
Yours
