My dear Mother

I had thought General Gortle in case
he saw you, to report my wish of
having the Opera Box for Saturday
unless it is engaged - But as he
was not so fortunate, I trouble you
with a few lines myself, knowing
it is your wish to be to be always
of it as soon as possible. I regret

the length of time it has been since
I last saw you, but anxious to be
it may not be very long before I have
that pleasure - Believe me
