My dear Father -

As tomorrow is My Mother's
Birthday, & I have not seen her since
the 4th of January, I wished to call
upon her in the morning for
a short time, tho' still they came
& for some while. Tho' she left the
visit to My Discretion. I think it
my duty to inform you of this, & will
as if they return which I shall
or see or come back -

Believe me

My dear Father

Ever affly Dear Son
