Her Majesty having graciously believed
 the Prince Regent's flattering Message, I feel it my
 Duty, from Attachment to His Majesty, and the Royal
 Family, to accept of the Situation which H.R.H. the
 Prince Regent has thought proper to place me in
 for a Time, understanding that I am only
 answerable to His Royal Highness for my
 Conduct, and trust that I shall be able to prove
 my Attachment by my honesty and Integrity,
 upon which I have ever prided myself. — But
 I humbly entreat, for fear of any Mistake, that
 H.R.H. will graciously please to give me his
 Instructions in writing, signed by himself.
