Sir

It is impossible for me
to find words sufficiently expressive
of my gratitude for your Royal Highness's
most gracious consideration, but I
trust your Royal Highness will
believe how sensible I must
be of so much goodness, and allow

me humbly to offer my thanks for
 the Letter I have this moment had
 the honor of receiving from your
 Royal Highness, as well as for
 the permission I value so highly
 of being allowed to pay my
 respects to Her Royal Highness
 The Princess Charlotte at Cranborne
 Lodge —
 I had a Letter from

My Father this morning, and
I am happy to be able to
inform your Royal Highness
that he is now entirely recovered
from his late illness - His
gratitude I am sure will
only be equalled by mine,
when he hears of your
Royal Highness' most flattering
enquiries for him, and of

2899
The very distinguished Mark I
have Received of your Royal Highness
favors of which no one can be
more sensible than

I

Your Royal Highness
most obliged
and obedient humble
servant

Lime Grove Putney
