

1 49957 - 8 30 April 1813

In that Packet which you sent to Miss Moxer Claphamstone yesterday were all the Presents contained in it which had remained in your Possⁿ and which had been given or sent to you from H. R. A. Princess Charlotte

Upon your Honor you can say Nothing more ^{is} with you nor in the hands of any other person to your Knowledge

What became of the Letters which passed from Princess Charlotte to you at different times

When ^{or destroyed} they burned and by whom

Did you ever show any of these Letters to any Person

Did H. R. A. the Princess of

a Mr. Jesse Plain

yes all but one thing which is with my Baggage at Canterbury and which shall be sent

No then nor was any thing in the hands of any other Person

I turned them so soon as I received them

No answer

To No Person whatever

Wales ever see any of these letters

Are you quite sure Mr. B has none of these letters in his paper nor copies of them

In one of your letters a Frenchman was mentioned to have been left with a friend what became of the contents of this trunk so far as concerns Princeps Charlotte

Was you ever alone with Princeps Charlotte or whose

By whom was you admitted or who was in the house at the time

Was the Princeps of Wales Princeps to Jean being alone in a room with Princeps Charlotte alone

Were these circumstances forgotten

The outside of them but not the contents of them Princeps of Wales concerning some of the letters to me but I am not sure Mr. B knows that they were letters because they were made up a parcels, mind called by them are neither letters nor copies of letters in the possession of the Princeps of Wales unless Mr. B: H: May have detained some letters intended for me &

Just before a short time in a room at Kensington it occurred more than once the Princeps of Wales went to sleep himself and left it alone

The Princeps

Yes Mr. B: H: was in the Dress Room which was the Dressing Room

Did you
imprope
with a
number
After
Did you
Censor
and My
letters a
about
May
found
about
When
Princeps
During
not
as they
the
In one
mentioned
found (Col
that I
Did be

Did any Person Urge the

Improprity of such intererence
with a Person of that age and
Rank or when was the Attendance

No Never

After your Return to Britain
Did you ever Mention the
Correspondence with My Daughter
and Myself upon the Subject of
Letters and Presents such as are
above alluded to

No to No Person not
even the Prince of Wales
* Sent from the Royal

May I ask if you have ever
heard the Subject mentioned
abroad by any one

Upon My Honor I
never did a friend of mine
asked if I should see or trade
with P. C. on my Return to
England, I said I should be
with my wife this was the
only person ^{whom} I mentioned ^{the}
In another I narrowly
Recem

When were the Ladies of
Prinsep Charles Heuse held
During these Intereence; I do
not know who the were
as they never came into
the Room

In one of your Letters a Lady is
mentioned whose name I left with a
friend (Bell and) what became of
that French or the Arhetes in it
Did Bell and know the

Contents of Mr Bush, or have you
seen that gentleman since your
returning to England from your
travels

When you visited at Kensington did
the P^{rs} of Wales Lestr or both the
Deer between the Apartments of
of P^{rs} Charlotte and that Room
in which you were some times
with P^{rs} of Wales and some
times with P^{rs} of Charlotte
alone

What Motive had you for withhold-
ing Mr Huntley's Watch and Jew-
els from the King after his decease
you had returned any thing

You ought to recollect that a fail-
ure of Money in any one
Part Leads to Suspicion in this
and gives Reason to apprehend that
some of the Ladies may exert and
even be in the Custody of Princes of
Wales

Did Princes of Wales send you
any Letters or Parcels after your
return to the Court

Did any Letters or Parcels sent to
you by the Princes of Wales appear
as if they had been opened

I got some

Did you receive any letters from
 P^r Charles by any other Chan-
 nel excepting that of P^r of Wales

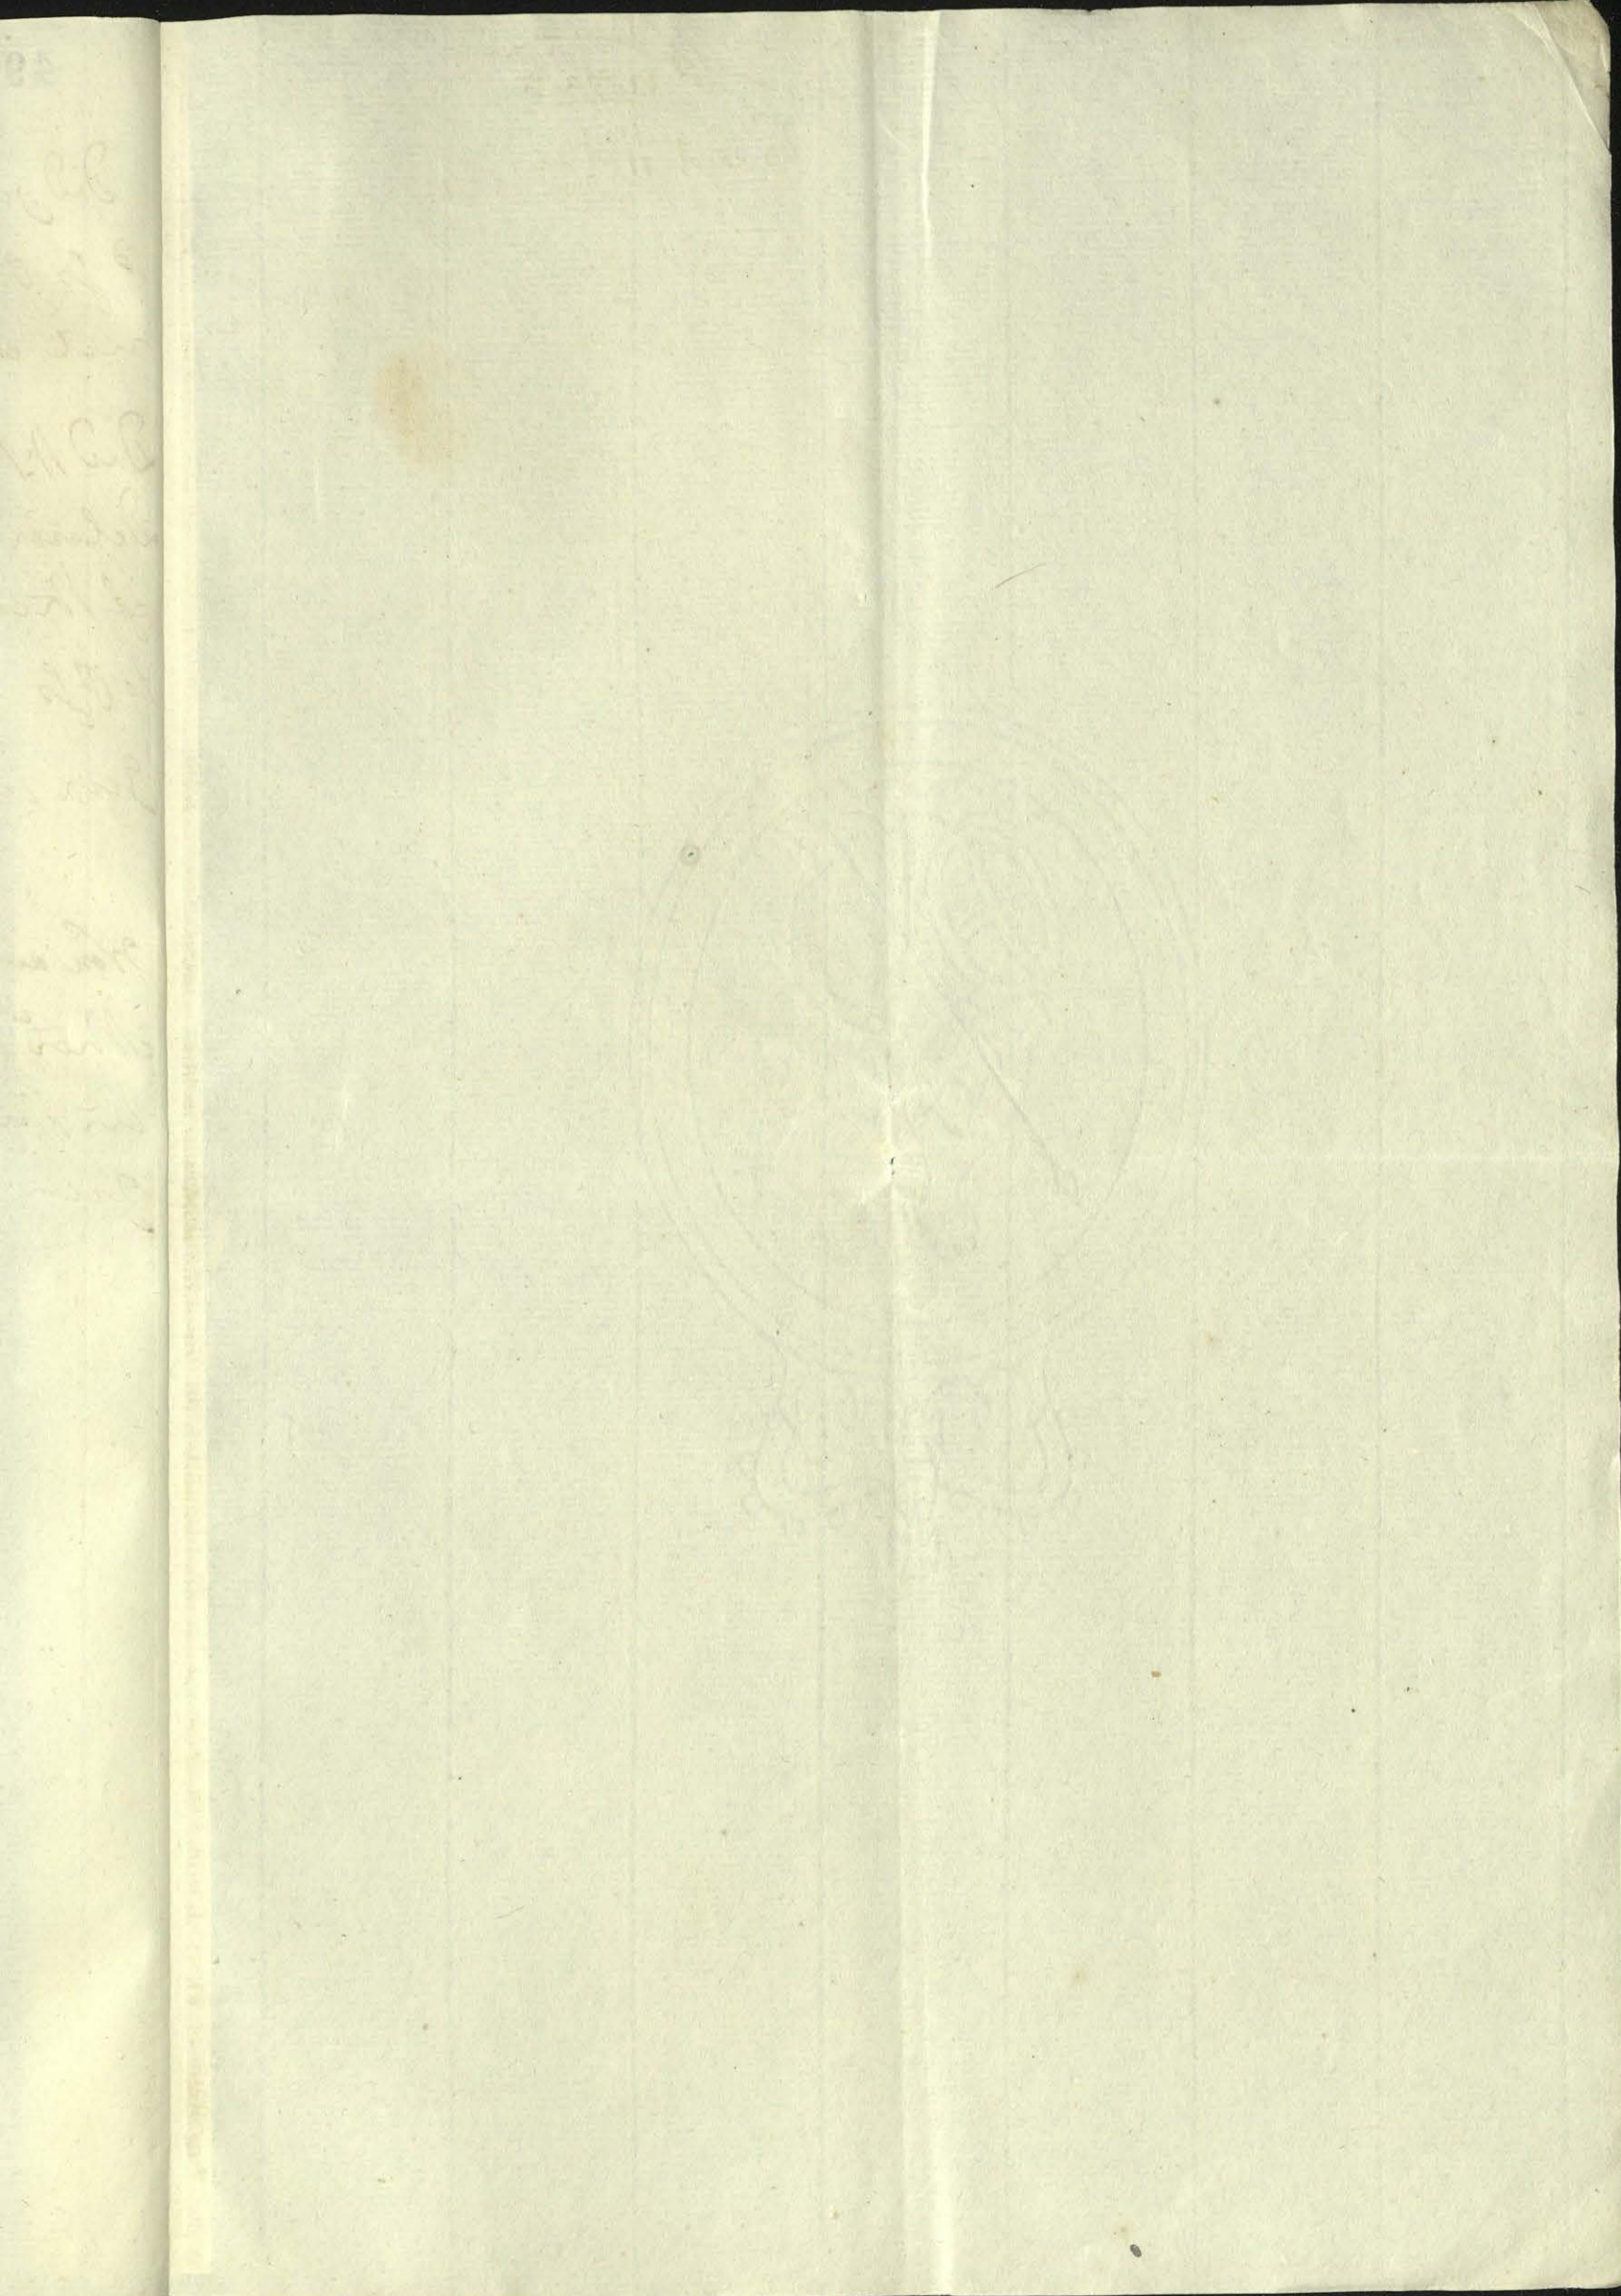

Did Mr: A The Prince of Wales
 deliver any of Mr Letters; or all
 of them which you had written
 to P^r Charles - Or can
 you tell what he came of them

How any of Mr Letters in any
 other letters on the present subject
 in the small book left behind
 you
