Dear Lord Keith

The P. M. expressed himself anxious to hear more about the withheld articles: and He wishes you to see the Questionnaire again I do put the Question on the separate paper - I prevent any appearance to him of an other hand in this, You had better copy over the questions unless you trust to your Memory -

I should think the B. H. will leave the House about Two - It may be later. You should be at Carlton House at Two

Two, and Margaret should
come to Warwick House about
the same time - But if any
change should take place.
If you & she will be at
home I will send up to you
If you do not hear from
me by a quarter before two
You may consider that
to be the time fixed for your
coming - So it stood ~~when~~
at 1/2 past five Yesterday.
Yours ever
W Adam
