My Dear Mother

A thousand thanks for your letter
of the kindness expressed in it respecting
my present situation - You may
be well assured that should you
have put your plan into execution
I had no a visit we should have
been very agreeably surprised & happy
to receive you, - as you are
so very considerate as to wish to
spare me any unnecessary fatigue
I am also inclined to think it
will be wiser & better for me

to remain quiet here tomorrow
I had written up to you, since
you will not take it any, but
I could write not soil to bring
your command at one o'clock -

I would hope it will not be
very long before I have the
pleasure of seeing you, but I
could flatter myself you will
be tempted to pay me a country
visit, while the weather is
warm & fine -

Believe me to be

My Dear Mother

Yours affectionately

Elizabeth
