I have no alteration certainly
my dear Sir to make to the
good report I dated about
2 ofk today - The pains since
then has been at times
inclined to cease - and tho'
the pains have in some
degree relaxed, the labor
has at no moment been
suspended -

I have heard no

Further fear expressed as
to the safety of her & the
infant from the length of the
labor - and to which I am
most thankful and rejoiced
to say was throughout
preserved her spirit, and
her strength continues quite
equal to what ~~her attendants~~
the Med^l Gentlemen would
expect - Ever yours
