My Dear Sir Benjamin

May I be permitted through
your medium - to express to His Royal
Highness The Prince Regent - the deepest
unfeigned gratitude I feel for the
permission offered me - it is one I could
not have ventured to have named -
but nothing now could gratify me so
much, as paying this last memorial
tribute & respect to His Daughters, the Consort
of the Prince of Wales & our most loved
& respected Princess! -

I leave myself in your
hands to convey, if not improper, all I
ought, and all you must know
I feel

and will detain you no longer -
believe me
very sincerely Yr
C. M. Gardner

I have not seen S. West this morning
he writes me word the Prince Leopold has
not had a good night -
