As Mr. Pevsner who is the author of the  
drawings of the Action of the 12<sup>th</sup> of April, wishes  
to begin the partition of the plates which are intended to be  
taken from them so as to finish them by the  
time of Exhibition - I must entreat the fa-  
vor of your Lordship's assistance in getting  
them from St. James's for that purpose, being  
with great respect.

Your Lordship's

most obedient & most  
humble servant.
