

St. Grantham
Whitehall Nov. 27. 1702

Lord Grantham would be exceedingly concerned
if any thing of Importance required, his praying
his Duty to your Majesty today, as he is still
confined by the Consequences, of an Accident
which happened to him a few Days ago.

He humbly hopes therefore to be indulg'd with
Y^r Majesty's excusing him, hoping to avail
himself of the first opportunity of receiving
Your Majesty's Orders.
