Admiral Dec. 12. 1782 ⁵⁵/₅₅ past 3. P.M.

5106

Lord Keppel has the honor to send
your Majesty a note which is this moment received
from Lloyd's Coffee House, & which if true is of much Importance,
but would have been more so, if the Marquis de Bouille had
been captured at the same time the french Ship, *Norme* Infante
is supposed to have been taken.
