Faint handwritten text, possibly a signature or name.

Lord Keppel has the honour to send to your Majesty, near
Admiral Knowles letters with two to him from the Captain of the London
which Lord Keppel has delay'd sending to your Majesty. He hopes that
a more Intelligent Account might come that would give more
satisfaction.

Lord Keppel humbly begs to propose to your Majesty, that he may
be permitted to appoint Sir John Jervis to the Command of the
Intended Secret Expedition
