Sir

I have the honour to send your Majesty the Letters which I have receiv'd from Paris late last night and this morning. I had a very confidential conversation with M^r Payneval previous to Lord Grantham's writing to

to Your Majesty on Saturday, which
leaves me under no apprehension
about the Peace, unless a change
takes place in the French Mi-
nistry. He started his own and
Mont^e De Vergennes' salvation as
depending upon it.

I have the honour to be with
the highest Respect

Your Majesty's
most Dutiful
