

Princeps Royal  
to  
The Prince of Wales

[1795]

51383

51383

My dear Brother

I have received the  
Queens Commands to say she hopes  
that you and the Princeps will Dine  
with us to day. The Company are to be  
here. I was very much mortified not to  
have the pleasure of seeing you Yesterday  
and rejoice with the thoughts of embracing  
you to day.

Ever most affectionately  
Yours

Charlotte Augusta Matilda
