My dearest Brother

I am truly mortified to be deprived of the pleasure of seeing you to day particularly so as it is owing to your indisposition and shall rejoice to hear that you are quite recovered. I cannot express how much I feel your kind attention in writing to me and return you a thousand thanks for your good wishes.

I congratulate you my dear Brother on our much loved Fredericks Wedding day may every possible happiness attend him and his Dutchesse in this wish I know that you sincerely join with me.

The day for our returning to Windsor is not yet fixed but I believe

that our stay will not be much longer
here when I shall hope soon to
have the pleasure of advising you
a viva voce how sincerely I am

My dearest Brother
Your very affectionate Sister

Charlotte Augusta Matilda
